

Cocktail hour will start at 7:00PM, and dinner will be served at around 8:00PM. Scholarship awards will be presented during the event. There will be music entertainment and raffle.

b. Where: Byblos Restaurant in Norwood MA

c. Who are we honoring???

Michel Hajjar and David Abichaker are going to contact a very successful Lebanese American engineer and inform him that we like to honor him during this event.

d. Scholarships: Applications, Donors, etc.

- Scholarship applications were sent out to members and friends.

- During the members and friends meeting that took place last month, Mr. George Jreige donated \$500 toward the scholarships (Great thanks to him!).

The rest of the money will come from ALES Boston-Chapter account (that is mainly built by the membership fees from ALES members. Great thanks to them!)

e. Tasks: Flyers, Tickets, Prizes, Menu, Entertainment, etc.

We should move faster on the party preparation! There will be 2 work meetings in December:

- The first one will be on Thursday December 15, 2005 at 6:30PM at the WLCU center in West Roxbury MA. In this meeting, we will design/type the tickets, invitation letter, and flyer, decide on the main raffle gift and other gifts, finalize the program of the party, etc.

- The second one will be on Wednesday December 28, 2005 at 6:30PM at the WLCU center in West Roxbury MA. In this meeting, we will put all the tickets, invitation letters, etc. in envelopes, and mail them to our members and friends. We should also have all the raffle gifts ready or at least identified by this time.

It is very important that the board members attend these 2 work meetings, and members and friends are encouraged. Please get involved and help your organizations. Refreshments will be served during both meetings.

4. Miscellaneous Topics

An interesting and useful cultural discussion took place at the end of this meeting.
